### **Today's Pattern**

VIVACIOUS THREE-IN-ONE

Pattern 4446 Summertime and the active out

door life call for gay versatility. Here's an Anne Adams triumph. Pattern 4446, that's almost a complete wardrobe in one. It's a jumper and short-sleeved blouse . . . a sleeveless sun-frock . . or a two-piece summer suit, with the blouse pattern used to make a trim jacket. Notice the cleverly designed sunback, made in graceful wrap front-tyling sash drawn through buttoncoles. The skirt has nice ac ion-freedom. Crisp white pique would be smart for the frock . . .

Pattern 4446 is available in junior miss sizes 11, 12, 13, 14, 15, 16 and 17. Size 13, jumper, takes 23 yards 35 inch fabric; blouse, 15 yards

Hnen or shantung for the jacketdress and a gay peasant print for

the jumper style.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, AD-DRESS and STYLE NUMBER. Are you a "problem child" as far as your figure is concerned? If you are irregularly proportioned let ANNE ADAMS PER-FIT FOUN-DATION PATTERN 4114 take the guess-work out of dressmaking. It's a "basic figure" pattern that is first fitted and adjusted to your exact measurements in tissue; then cut out in muslin for a permanent record. Pin all of your dress patterns to it, make the necessary changes, and the finished frock will fit with custom-made perfection! Send for a Foundation Pattern - it costs just FIFTEEN

Thyssen in Exile

Once Germany's leading industrialist and "angel" to Adolf Hitler in the latter's early days, Fritz Thyssen is shown in his Paris hotel room shortly after his arrival from Switzerland where he found refuge after his flight from Germany.

Comfort Rather Than A Fashionable Figure Is Recommended

ITHACA, N. Y.—Comfort rather than a fashionable figure is recommended as a guide in wearing apparel for women by Dr. D. H. Deyoe, assistant medical advisor of

Cornell University.
"The women of Queen Elizabeth's time", he said, "were not WTAM. Music for Moderns squeamish; they did not faint at the slightest provocation but from the pressure of their foundation farments on the nerve center, the solar plexis.

'Nor did they die of broken hearts, but rather from chlorosis, commonly known as green anemia, caused by the impairment of their blood. This was the direct result of pressure on the liver."

Dr. Deyoe said he isn't trying to scare the women, but urged them to look behind women's fashions and to consider their effect on health. "Will a new fashion bring pressure on the waist and other parts of the body and result in shortened breathing and nervou disorders?" he asked. "Will the high heel of a cleveriy styled pair of shoes shorten the leg muscles

and eventually cause pain?"
Feet are important to balance and posture and hence the type shoe worn will determine whether the carriage is graceful or ungain-

ly he explained.
This does not mean that frivolous fashions are taboo for special occasions. Do not make habit, however, of the too-high KDKA Voice of Hawaii 5.30 KDKA WTAM Ted Weems garment; for in time they will injure health."

> BISBEE, Ariz .- It's roundup time here again but the subjects being "corralled" are neither horses nor cattle-they're ladybugs. The insects abound in this section of southern Arizona and are being caught to be shipped to central Arizona where potato crops are threatened by aphis. Ladybugs are mortal enemies of aphis.

# DEAN CHECKS REDS WITH FIVE-HIT PITCHING

# **OLE DIZ COMES** "NOTHING BALL"

Pitches On Nerve Alone To Beat Cincinnati Reds, 4 to 2

By JUDSON BAILEY

Dizzy Dean always was and still is a nervy bounder. That wasn't praise the way people said it five years ago when Jay Hanna (or is it Jerome Herman) was in his incomparable prime with the St. Louis Cardinals. But

Pitching on his nerve alone he still is one of the game's impressive figures. That great right arm of his has lost its whip but his heart never has faltered.

"Ole Diz" toed the rubber again yesterday out in Chicago's Wrigley field and clamped down on Cin-cinnati's National league cham-pions with a five-hit pitching performance that won for the Cubs

It didn't resemble even faintly those stirring Dean dramas of another era, but it was just as effective in the won and lost col-umn. Diz got a bad start. He walked the first two batters he faced and made an error on the third to let in a run. Then he intentionally passed a third and another run was scored on a fly.

Manager Gabby Hartnett no doubt was disturbed and the fans were.

too. But if Dean ever quavered no one knew it. He came back to pitch shutout ball for the next eight frames, striking out only one batter but allowing only one walk. He kept sailing that "nothing ball" of his back and forth across the corners of the plate, curving in and out and once in a while sand-wiching in a straight high one that would have been blindingly fast in that other day.

It worked, anyway, and in the meantime the Cubs crowded big Paul Derringer, ace of the Reds,

Schoolboy Stars To Vie At Ohio Wesleyan and Mansfield

BY FRITZ HOWELL

COLUMBUS, April 26. — More than 1,400 Onio High school track and field athletes start their annual hunt for medals, cups and wrist watches Saturday as they compete in the 14th annual Mansfield Relays and the ninth annual team competitions at Ohio Wesleyan university.

For the first time in history, the two classics come on the same day, thereby slashing both fields. A year ago each of the relays attracted more than 1,000 youths, but indications are that Saturday's Delaware contests will draw about 800, with 600 or more competing at Mansfield.

Champions Back

At Ohio Wesleyan, Columbus North will defend the title it won a year ago when it scored 32 points to nose out Springfield by half a point and break Toledo Scott's three-year reign. Upper Arlington, winner the Class B crown the last four times out, will try again.

Cleveland East, last year's Mansfield victor with 27 points, is en-tered again, as is Cleveland East Tech, which finished just a half point off the winning pace, indicat-ing that another close scorap for

al levents are on an individual basis except the relay races. The relays attracted 89 schools from five states last year.

The Wesleyan meet, which had 28 Class A and 32 in Class B on the 1940 list.
